On August 22<sup>nd</sup> 2004 Clay Blevins General Manager of Comfort Supply Inc. signed up for Auto Sourcing with me. On August 25<sup>th</sup> 2004 I found him a Nearly identical car to this one. It had 38k miles, no paint work, and was a Southern car with no rust. It needed new tires, a front brake job, and oil change only to be road ready. He used my recommended vendors and spent \$352.00 total. His savings & transaction details follow:

\$8800.00 Sale price at auction  
 \$185.00 Auction fee  
 \$352.00 Reconditioning  
\$1168.00 (13% of \$8985) Toddsarteam.com fee  
 \$10505.00 total price plus tax & tags  
  
 \$12998.00 Carmax no hagggle price  
\$149.00 Carmax processing fee  
 \$13147.00 Total Carmax price plus tax & tags  
  
 \$13147.00 Carmax price  
\$10505.00 TCT price  
 \$2642.00 Savings with Todd's Carteam

In his words: "It was the busiest season of the year in my business, and I needed to buy a car for one of my salesman. It was the last thing I wanted to spend my time on. I called Todd and asked him if he could help, and he took down my parameters and produced a car within three days. I barely lifted a finger AND I saved \$2,642. Anytime I need to buy a car or truck I will call Todd."
