David Smith contracted with me in early November 2005. On December 30th I found his Maxima with no paintwork and 38k miles. The previous owner agreed to transfer the balance of the extended warranty good to 100k miles as part of the deal. It needed only four new tires which he purchased through one of my recommended vendors for \$200. His savings follows:

\$24,599.00 Carmax price

-\$500.00 miles adj @ .10/mi

\$24,099.00 adjusted Carmax price

\$24,099.00 Carmax price

-\$21,199.00 Todd's Carteam price

\$2,900.00 TCT Savings

+\$1,660.00 Warranty transfer value

\$4,560.00 Total TCT savings

His experience in his own words:

Todd,

Thank you for a smooth transaction. Your efforts and professionalism in handling both acquiring my Maxima and handling my trade-in made this transaction effortless on my part. The Maxima fit my requirements perfectly and I know I will have many years of pleasurable driving. For the first time in many years I walked away from a car purchase smiling and feeling that I had a fair deal.
