Brian Warford secured my services in early March of 2005. I tried the local auctions for three weeks to find a car with no paintwork or northern rust issues. I found one through an out of town dealer on April 4th. It needed no reconditioning. Brian's savings follows:

$18599.00 Carmax price

+$480.00 adjust for 6k miles @.08/mi

$19079.00 Carmax adjusted price

$19079.00 Carmax price

-$15676.00 TCT price

$3403.00 SAVINGS

Brian had this to say about his experience: Todd and his team did a wonderful job helping through the process of finding and purchasing my car. Todd's experience as a professional in the car business was invaluable to me in completing the transaction, financing the car, and dealing with all the title work. Thanks Todd!
